Rajeev Vidhani is a Partner in the Banking & Finance practice group in the Mumbai office. Rajeev recently completed a brief stint with the Banking and Restructuring Team of Ashurst, Sydney, where he advised distressed funds, banks and corporates on a variety of matters in the space of distressed acquisitions, debt restructuring and refinancing and other financing matters.

Rajeev has represented leading financial institutions, corporations and promoters in negotiating and documenting financing transactions, and advised on syndicated lending (both secured and unsecured) transactions, inter-creditor and subordination issues, guarantees, security, debt issuances, and other aspects of domestic and cross-border financing transactions.

He has also been advising clients regularly on insolvency, enforcement and restructuring issues including those relating to SAFAESI, the Insolvency Code, the Strategic Debt Restructuring Scheme, the S4A Scheme and various other schemes introduced by the Reserve Bank of India, from time to time.
