YIAG (under ICC)

Mayuri Tiwari is a Partner in the Arbitration Practice group in the Bengaluru office. She specialises in international dispute resolution.

Mayuri's practice focuses on domestic and international arbitration, related court litigation, and investment treaty work. She represents clients in international arbitrations seated across the world (Singapore, London, the Hague, New York, Mumbai etc.), conducted under different arbitration rules SIAC, LCIA, ICC, UNCITRAL, ICSID), different governing laws, and across a wide range of industries (including energy, oil & gas, healthcare, and infrastructure). During these arbitrations, Mayuri independently handles the written and oral advocacy. She regularly sits on panels at arbitration conferences and is involved in teaching commitments.

Mayuri was recently appointed as the Regional Ambassador (India) for HK45 (the young practitioner association of Hong Kong International Arbitration Centre).

Representative Matters:

In her areas of expertise, Mayuri has advised and represented several prominent clients which include:

- **Mr and Mrs Binani** in their USD 250 million-investment treaty claim against the Government of Macedonia under India-Macedonia BIT;
- **Mr Shokat Dalal** in an ICSID arbitration against the Government of UAE under the UK-UAE BIT for his claims arising out of investments made in "The World" island project – a project to build 240 man-made islands;
- A **leading Spanish infrastructure company** in an indemnification claim in a Singapore seated arbitration under SIAC Rules;
- A **major Indian conglomerate** in the oil & gas sector in SIAC arbitration initiated against them by an erstwhile business partner;
- **Mr Vikram Bakshi** (a prominent Indian businessman) and Bakshi Holdings Private Limited in a shareholder dispute in a LCIA arbitration against McDonald's India Private Limited;

- An **Indian BPO Company** in a NY seated, US law governed, AAA arbitration, in relation to a contractual dispute related to technical and support services;
- A **leading American financial services company** in its SIAC arbitration with an Indian stock exchange, relating to their benchmark indices joint venture business;
- A **leading power company** in India in its London seated ICC arbitration in relation to the construction of two power projects in Sudan, against a Sudanese power generating company;
- A **Mauritius company** in enforcement of its USD 120 million SIAC arbitration award in India, including proceedings before Karnataka High Court and Supreme Court;
- A **Malaysian company** in its Mumbai seated ad hoc arbitration against an Indian government entity, and related set-aside proceeding before the Bombay High Court; and
- A **leading re-insurance company** in a domestic arbitration seated in Mumbai for disputes arising out of a re-insurance contract with its co-insurers.
